

Attention Hawker Owners!

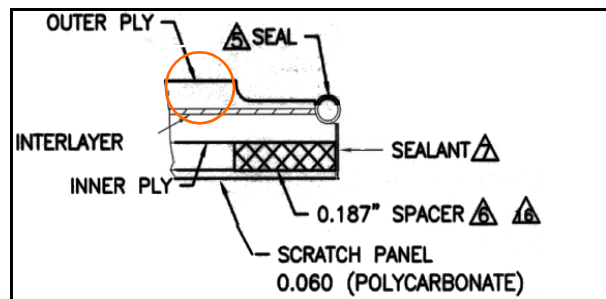

**PERKINS AIRCRAFT
CAN SOLVE YOUR
HAWKER WINDOW
PROBLEMS
FOREVER!**

Perkins Aircraft Windows is proud to announce the latest improvement to our already superior Hawker laminated cabin windows. In 1994, Perkins Aircraft invented and introduced the single pane laminated cabin window in an effort to permanently eliminate the need to remove and overhaul the original design window due to dirt, fogging and white line separation problems.

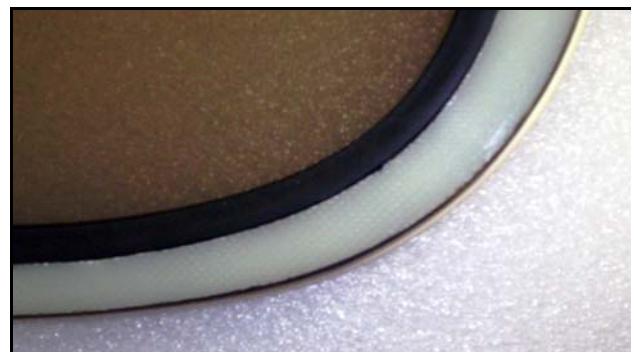

CROSS SECTION OF PERKINS LAMINATED WINDOW

NOW YOU HAVE A CHOICE!

Not only will your cabin windows be crystal clear, now you can add a removable clear or standard tinted frost pane at no additional charge.
